

## **Financial Aid Request Form**

**Name :** Ali Hani Farouk Mohamed Elsaeed

**Faculty :** MET      **ID :** 55-0317

**Sibling Name :** Yahia Hani Farouk Mohamed Elsaeed

**Faculty :** Applied Arts      **ID :** 55-0371

This form is written as requested by the university for the siblings 25% discount on the university's fees annually . The university's guidelines states that the student's accumulative GPA should be better than 3.00 in order to take the discount . Ali's accumulative GPA is now 2.86 , therefore this is a request form for Ali's tuition fees to be considered for the siblings discount as stated by the university.

Thanks In Advance.
